

II FESTIVAL DE LA GUITARRA DE MADRID y VI CONCURSO INTERNACIONAL DE GUITARRA CLÁSICA GSD

Dear Sirs,

We are pleased to inform you about the VI GSD International Classical Guitar Competition that will take place during the II Madrid Guitar Festival from May, 3rd to 8th, 2016.

GSD International Classical Guitar Competition has been flourishing thanks to the great welcome from young participants and, from the beginning, is born with the objective (aim) of promoting the culture and musical life of our country through the guitar concert repertoires, and to discover young talents and help them develop their professional careers.

Professional Competition will be open to competitor that are not 36 years of age or older the day that it starts. With more than 20,000.00 € in prizes, inclusion of concerts in international festivals and the promotion of their emerging careers, it is a great opportunity to show the talent of the young interpreters in the presence of a recognized standing jury as can be Ricardo Gallén, Roberto Aussel or Aniello Desiderio.

At the same time, to reach all the Professional Conservatories of Music, in this edition age has been limited, in a Youth Competition, to those who are not 18 years of age or older the first day of the competition, so it can be more interesting to students of this level

We wish to express our gratitude for the support given to this competition that, surely, will be of great interest to teachers and students from your centre, requesting that you give it wide diffusion.
